

UPPER OHIO VALLEY
OBEDIENCE TRAINING CLUB
P. O. BOX 76
BELLAIRE, OH 26038

Greetings!

We are back up and running and great things are happening at UOVOTC!

Julie Agosti will be joining us on Fridays at 6:30 p.m. beginning on July 10, 2020, for a six (6) week session. She will be teaching an obedience foundations class for those people interested in competition obedience.

Also, this session, beginning the week of July 6, 2020, we will be offering a puppy class and two (2) basic obedience classes.

For the next session (which will start the week of August 24, 2020), in addition to our puppy and basic obedience classes we hope to add a fun class which will include an introduction to tunnels, jumps, and weaves!

Please check the club's website (www.uovotc.com) and Facebook page for updates on class offerings! Remember to send in your applications early as space is limited! Applications can be downloaded and printed from our website.

Due to the Covid-19 virus, please remember the following:

- Don't come to class if you or a member of your household exhibit any signs of illness or have had contact with an individual determined to have the Covid-19 virus.
- In order to comply with the CDC best practices, for now only one handler/owner per dog is allowed per class. Additional family members, friends, observers, etc. may not participate at his time.
- All classes will be outside, unless it is raining
- Masks are optional for outside classes, except for Julie's Friday night class (See comment below)
- If the class needs to move inside, temperatures will be taken at the door and masks will be required.

- Please remember social distancing and try to stay 6 feet away from one another
- **If you are in Julie's Friday night class, she is requesting that all students wear face masks.**

Thank you all for your continued support and have fun training your dog!
